

# Welcome to the NYExUG November 08 Meeting

- **November Meeting** – Highlights of low cost/free applications/tools to improve your Exchange/Outlook functionality
- *Topic: (e.g. low cost Outlook add-on that automatically knows where to file emails into a folder - no need Favorite Folders needed, free application that is an Exchange Server dashboard to monitor mail queues, disk space, cpu & memory utilization).*
- Some application highlights
  - SolarWinds Exchange Monitor, dashboard health monitor [Exchange]
  - Lookout, search tool [Outlook]
  - SimplyFile, automated filing tool [Outlook]
- **New Raffle Opportunities** (for each new member's first meeting, get an additional raffle ticket)

Thank you for attending the  
November 2008 NY Exchange User  
Group Meeting.

Raffles – do not forget, if you bring in new  
members, you 2x, 3x, or more your chances  
to win raffle prizes.

*See you next month...*
